Testimonials

"Angela has a calm and positive manner that motivates and inspires the listeners. She writes a diverse variety of poems that are matched to the interests and experiences of her audience. She is more than willing to work with staff in school, shaping sessions and even offering bespoke poems so that they compliment the subjects being taught. Her poetry provokes deep thinking in children and she encourages her audience to explore the possibilities of language, plot and narrative. The children in school now demonstrate an enthusiasm for poetry writing and feel motivated to write poems of their own."

About Me, Positions In Education & Outreach/Community Work

About Me

I love writing books and performing my work/delivering workshops both in educational settings and in the community. This follows on from my lifetime passion for reading, I could always be found with my head in a book as a child. I enjoy the classics, thrillers, science-fiction, crime, Gothic literature, historical fiction, autobiographies and poetry.

I live in Newcastle-under-Lyme, Staffordshire with my husband author, illustrator & storyteller Glenn Martin James and our two daughters.

Positions in Education

Vice Chair of Governors at Ellison Primary Academy

Link Governor for Pupil Premium/Sports Premium, Safeguarding and Middle Leadership.

Member of Committees: Education and Resources

Recruitment/Appointments Panel Member

Chair & Trustee of Ellison Primary Academy PTFA

Outreach/Community Work

Educational Outreach Poet for Operation Spitfire

I visited primary schools delivering bespoke poetry sessions to raise awareness about the Spitfire, RJ Mitchell, engineers, etc and its impact on aviation and World War II, to encourage an interest in engineering and to build enthusiasm for STEM subjects as a whole.

Writer, Historian and Actor for St Giles Heritage Churchyard Project

I co-wrote and performed the Newcastle-under-Lyme Town Centre Heritage Trail and the St Giles Heritage Churchyard Trail alongside fellow author Glenn Martin James, as well as co-wrote the 'Engaging with History' section of the Education Pack.

Performing in the Community

I often perform/deliver workshops at museums, libraries and at community events. Such as Newcastle-under-Lyme's: Christmas Lights Switch-on event (as a Victorian Storyteller for the past three years), Victorian Festival and Homecoming Festival. An International Women's Day Event, The YMCA's Big Picnic and Festival Stoke, etc.

Why should we book an author visit?

Author visits provide an inspiration for children and adults to be more enthusiastic readers and writers. They have the opportunity to connect with the author on a personal level and hear first-hand about the writing process. As well as the opportunity to ask how and why certain poems/stories were written, where did the idea come from and why that particular subject was chosen. Most children, teachers and adults alike love to meet a 'real life author'.

Such visits can engage and inspire even the most reluctant readers, as well as both Pupil Premium children and SEND children. Due to a change in the learning environment provided by an author, the visual and performance elements and also the opportunity to create a poem or story, where the only real limitation is their imagination.

How do we invite you?

The best way is e-mail me at author@amjames.co.uk, or you can call me on 0844 500 6133.

How many children/adults do you like to perform to/work with at once?

I have worked with as few as 5 and as many as 300; the number would depend on the space available. I can work with whole classes, year groups or even the whole school/setting if time and space allows. I can be flexible to your facilities and requirements.

How many sessions will you do during a visit?

Usually one for an hourly session, 2 or 3 for a half-a-day visit and 4 or 5 for a full day visit.

Do you have a DBS Certificate?

Yes, I have an Enhanced DBS Certificate. This is available on request.

Do you have insurance?

Yes, I have Public and Product Liability Insurance provided through the NAWA (National Association of Writers in Education) Professional Membership scheme. Certificate available on request.
